

Green Cell CUBE LiFePO4 10Ah 12.8V 128Wh Lithium-iron-phosphate battery for power and emergency lighting, control panels

Generuota 2026-08-27

Name	Description
Gamintojas	Greencell
Compatible with these devices	Road lamp
Compatible with these devices	for the basket lift
Compatible with the following battery models	UPS
Compatible with these devices	Emergency power supply
Compatible with these devices	do UPS
Type	LiFePO ₄
Compatible with these devices	Electric vehicles
Compatible with these devices	to Lawnmower
Compatible with these devices	to the fishing boat
COLOUR	
Compatible with these devices	Floor washing machine

Name	Description
Compatible with these devices	to the Lift from
Compatible with the following battery models	Kayak
Compatible with these devices	Remote monitoring
Compatible with these devices	for 12V Devices
CAPACITY	10 Ah
Compatible with these devices	12V voltage converters
Compatible with these devices	to Kutra
Compatible with these devices	to the Sailboat
Compatible with the following battery models	Hunt
Compatible with these devices	Floor cleaning machine
Compatible with these devices	for Electric Vehicles
Compatible with the following battery models	Camping
Compatible with these devices	fishing boat
Compatible with these devices	for Cleaning Devices
Warranty	36 months
Compatible with these devices	Electric motors

Name	Description
Compatible with these devices	do LSV
Compatible with these devices	for Camping
Compatible with the following battery models	Matches
Compatible with these devices	Basket lift
Compatible with these devices	for voltage converters
Compatible with the following battery models	Cutter
Compatible with these devices	do ATV
Compatible with these devices	for Medical Equipment
Compatible with the following battery models	mowers
Compatible with these devices	Outboard motors
Compatible with these devices	for road lamps
Total capacity	128Wh
Compatible with the following battery models	Marina
Compatible with these devices	Lift with work platform
Compatible with these devices	for Travel Trailer
Compatible with the following battery models	LSV

Name	Description
Compatible with these devices	to wind farms
Compatible with these devices	for Golf Cart
Compatible with the following battery models	monitoring
Compatible with these devices	12V devices
Compatible with these devices	to Machines to
Compatible with the following battery models	Motorbike
Compatible with these devices	Travel trailer
Compatible with these devices	to Quad
Compatible with the following battery models	PTV
Compatible with these devices	to Photovoltaics
Compatible with these devices	for Wheelchair
Compatible with the following battery models	catamarans
Compatible with these devices	Golf cart
Compatible with these devices	to Monitoring
Compatible with the following battery models	Quad
Compatible with these devices	Alarm system

Name	Description
Compatible with these devices	do RV
Compatible with the following battery models	Sweeper
Compatible with these devices	to Install off
Compatible with these devices	for Forklift
Compatible with the following battery models	ATV
Compatible with these devices	Wheelchair
Compatible with these devices	to Motorcycle
Compatible with the following battery models	RV
Compatible with these devices	Self-propelled scrubber
Compatible with these devices	for Electric Motor
Compatible with these devices	For water equipment
Compatible with these devices	to the yacht
Compatible with these devices	to the Sweeper
Compatible with the following battery models	Photovoltaics
Compatible with these devices	Wind energy
Compatible with these devices	to the Motorboat

Name	Description
Compatible with the following battery models	Boat
Compatible with these devices	Cleaning devices
Compatible with these devices	for Solar lighting
Weight	2 kg
Compatible with these devices	For outboard engines
Compatible with these devices	to Kayak
Compatible with these devices	for Emergency Power
Size	155x100x100mm
Compatible with these devices	Solar road lighting
Compatible with these devices	do PTV
Compatible with the following battery models	Sailboat
Compatible with these devices	Medical equipment
Compatible with these devices	for Alarm Systems
Terminal	Faston 250 (F2)
Compatible with these devices	Wind power plants
Compatible with these devices	to Kamper
Compatible with these devices	for Remote Monitoring

Name	Description
Item code	LFPGC12V10AH
Compatible with these devices	Installation off
Compatible with these devices	of Solar panel
Compatible with the following battery models	Motorboat
Compatible with these devices	Forklift
Compatible with these devices	for the self-propelled scrubber
Voltage	12.8V
Compatible with these devices	Solar panel
Compatible with these devices	do Katamarana
Compatible with these devices	to Łódź
