Description

More

The self-heating cushion reflects and traps your pet's body heat to keep him warm and comfortable. The thermal cat and dog bed effectively keeps you warm on cold days. The plush dog and cat mat is easy to care for and keep clean. Reusable and durable. The soft plush surface of the dog blanket provides a warm and comfortable feeling, so your cute pet will have a sweet night. Ideal gift for kittens, cats, rabbits, puppies, dogs, aging and arthritic pets. The thermal pet tray is perfect for the floor, bed, sofa, car seat, especially outside the cat's dog house. Lightweight and portable, it's perfect for keeping your pets warm almost anywhere!
