

Emergency Power Supply UPS Greencell 2000VA 1200W PowerProof with LCD display

Generuota 2025-10-31

Name	Description
Surge protection	Yes
Output voltage	230V
Plug sockets	4x Schuko + IEC
Protection against overheating	Yes
Surge protection	RJ45 (100Mb/s)
Response time	typical 2-6 ms
The shape of the output voltage	Modified sine wave
Warranty	24 months (12 months for battery)
Overload protection	Yes
Svoris	11.5 kg
Output frequency	50 Hz or 60 Hz (auto detect)
Bendravimas	USB

Name	Description
Įprastas įkrovimo laikas	4-6 hours
VOLTAGE	1200W
Visible power	2000VA
Dydis	380x158x198mm
Topology	Line-Interactive
Input frequency	50/60 Hz
Condition	Brand new
Body type	Tower
Indicator	LCD
Gamintojas	Greencell
Safety	Protection against overload, discharge and overcharge
Battery	2 x 12V/9Ah
Įvesties įtampa	220/230/240V
Item code	UPSLM1200
