

Uninterruptible Power Supply UPS Greencell 1500VA 900W PowerProof with LCD display

Generuota 2026-08-25

Name	Description
Item code	UPSLM900
Protection against overheating	Yes
Weight	11.1 kg
Response time	typical 2-6 ms
The shape of the output voltage	Modified sine wave
Warranty	24 months (12 months for battery)
Overload protection	Yes
Bendravimas	USB
Output frequency	50 Hz or 60 Hz (auto detect)
Size	380x158x198mm
Įprastas įkrovimo laikas	4-6 hours
Condition	Brand new

Name	Description
Visible power	1500VA
Gamintojas	Greencell
Topology	Line-Interactive
Input frequency	50/60 Hz
Ivesties įtampa	220/230/240V
Body type	Tower
Indicator	LCD
Output voltage	230V
Safety	Protection against overload, discharge and overcharge
Battery	2 x 12V/9Ah
Surge protection	RJ45 (100Mb/s)
Plug sockets	4x Schuko + IEC
Surge protection	Yes
VOLTAGE	900W
