

Green Cell Power Inverter 24V to 230V 500W/1000W Modified sine wave

Generuota 2026-08-27

Name	Description
Indicator	LEDs
Including	1x cigarette lighter connection cable, 1x battery terminal connection cable, 2x fuse
Išvesties įtampa	24V DC
Išvestis	1x network socket, 1x USB port (5V / 1A-2.1A)
The shape of the output voltage	Modified sine wave
Item code	INV04
Size	6,5 cm x 10,9 cm x 22,3 cm
Gamintojas	Greencell
Weight	892 g
COLOUR	
Surge protection	Yes
Power Used (Constant)	500W

Name	Description
Protection against overheating	Yes
Instantaneous power (impulse)	1000W
Warranty	24 months
Other	
Output voltage	230V alternating current
Output frequency	50 Hz
Efficiency	90 %
