

## Green Cell Battery 12Ah (432Wh) for Electric Bikes E-Bikes 36V

Generuota 2024-06-02

| Name   | Description    |
|--|----------------|
| Compatible with the following battery models | A big cat      |
| Compatible with the following battery models | Ketleris       |
| Compatible with the following battery models | Keeway         |
| Compatible with the following battery models | Kalkhofas      |
| Compatible with the following battery models | KTM            |
| Compatible with the following battery models | Husqvarna      |
| Compatible with the following battery models | The green ones |
| Compatible with the following battery models | A giant        |
| Compatible with the following battery models | Gazelle        |

| Name   | Description   |
|--|---------------|
| Compatible with the following battery models | Freway        |
| Compatible with the following battery models | Fisheris      |
| Compatible with the following battery models | Phenetic      |
| Compatible with the following battery models | Ecobike       |
| Compatible with the following battery models | Kreidleris    |
| Compatible with the following battery models | Cross country |
| Compatible with the following battery models | Yamaha        |
| Compatible with the following battery models | Xplorer       |
| Compatible with the following battery models | vistleris     |
| Compatible with the following battery models | Speed         |
| Compatible with the following battery models | Triumph       |
| Compatible with the following battery models | Ranger        |
| Compatible with the following battery models | Radrover      |

| Name   | Description                             |
|--|---|
| Compatible with the following battery models | Prophet                                 |
| Compatible with the following battery models | Prodigy                                 |
| Compatible with the following battery models | Navigator                               |
| Compatible with the following battery models | Lovelecas                               |
| Compatible with the following battery models | Freedom                                 |
| Compatible with the following battery models | Easybike                                |
| Compatible with the following battery models | Ducati                                  |
| Compatible with the following battery models | Diamond                                 |
| Item code                                    | EBIKE51STD                              |
| Cell manufacturer                            | Green cell                              |
| Cell technology                              | Lithium ion                             |
| Engine power up to                           | two 250W                                |
| Body type                                    | Rear rack (mounted on the luggage rack) |
| Išvestis                                     | Pin 4                                   |

| Name   | Description                         |
|--|-------------------------------------|
| Including                                    | Battery, charger, user manual, keys |
| Svoris                                       | 2,9 kg                              |
| Dydis  | 39,5 x 14,5 x 7,6 cm                |
| Gamintojas                                   | Green cell                          |
| Colour                                       | Pilka                               |
| Įtampa                                       | 36V                                 |
| Compatible with the following battery models | ignition app                        |
| Compatible with the following battery models | Haibike                             |
| Compatible with the following battery models | Daymak                              |
| Compatible with the following battery models | Cyclamen                            |
| Compatible with the following battery models | Cutler                              |
| Compatible with the following battery models | Curtis                              |
| Compatible with the following battery models | Bikes                               |
| Compatible with the following battery models | Batavus                             |

| Name   | Description |
