

## Green Cell Battery 12Ah (288Wh) for Electric Bikes E-Bikes 24V

Generuota 2026-02-16

| Name                                         | Description    |
|----------------------------------------------|----------------|
| Compatible with the following battery models | Cyclamen       |
| Compatible with the following battery models | A big cat      |
| Indicator                                    | LED indicators |
| Compatible with the following battery models | The green ones |
| Gamintojas                                   | Greencell      |
| Compatible with the following battery models | Navigator      |
| Compatible with the following battery models | Daymak         |
| CAPACITY                                     | 12 Ah          |
| Compatible with the following battery models | Husqvarna      |
| Compatible with the following battery models | played         |

| Name                                         | Description  |
|----------------------------------------------|--------------|
| Compatible with the following battery models | Prodigy      |
| Compatible with the following battery models | Diamond      |
| Ivestis                                      | Cannon       |
| Compatible with the following battery models | KTM          |
| Compatible with the following battery models | Specialized  |
| Compatible with the following battery models | Prophet      |
| Compatible with the following battery models | Ducati       |
| Cell technology                              | Lithium ion  |
| Compatible with the following battery models | Kalkhofas    |
| Compatible with the following battery models | I love it    |
| Compatible with the following battery models | Radrover     |
| Compatible with the following battery models | Easybike     |
| Compatible with the following battery models | ignition app |

| Name                                         | Description |
|----------------------------------------------|-------------|
| Compatible with the following battery models | Keeway      |
| Compatible with the following battery models | Adriatic    |
| Compatible with the following battery models | Ranger      |
| Compatible with the following battery models | Ecobike     |
| Compatible with the following battery models | Haibike     |
| Compatible with the following battery models | Ketleris    |
| Compatible with the following battery models | BMW         |
| Compatible with the following battery models | Triumph     |
| Compatible with the following battery models | Phenetic    |
| Compatible with the following battery models | Merida      |
| Compatible with the following battery models | Kreidleris  |
| Compatible with the following battery models | Batavus     |
| Compatible with the following battery models | Speed       |

| Name                                         | Description                          |
|----------------------------------------------|--------------------------------------|
| Warranty                                     | 12 months                            |
| Compatible with the following battery models | Fisheris                             |
| Including                                    | Battery, charger, keys, instructions |
| Compatible with the following battery models | Cross country                        |
| Compatible with the following battery models | Bikes                                |
| Compatible with the following battery models | vistleris                            |
| Voltage                                      | 24V                                  |
| Compatible with the following battery models | Freeway                              |
| Išvestis                                     | Pin 4                                |
| Compatible with the following battery models | Freedom                              |
| Compatible with the following battery models | Curtis                               |
| Compatible with the following battery models | Xplorer                              |
| Dydis                                        | 39,8 x 8 x 11,5 cm                   |
| Compatible with the following battery models | Gazelle                              |

| Name                                         | Description   |
|----------------------------------------------|---------------|
| Item code                                    | EBIKE09STD    |
| Compatible with the following battery models | Lovelecas     |
| Compatible with the following battery models | Cutler        |
| Compatible with the following battery models | Yamaha        |
| Svoris                                       | 2,5 kg        |
| Compatible with the following battery models | A giant       |
| Cell manufacturer                            | Greencell     |
| Possibility of return                        | Up to 30 days |
