

## Green Cell CUBE LiFePO4 7Ah 12.8V 89.6Wh Lithium Iron Phosphate Battery for UPS, Monitoring

Generuota 2025-06-07

Compatible with the following battery models	RV
Compatible with these devices	Self-propelled scrubber
Compatible with these devices	for Electric Motor
Terminal	Faston 250 (F2)
Compatible with these devices	For water equipment
Compatible with these devices	to the yacht
Compatible with these devices	to the Sweeper
Svoris	1,2 kg
Compatible with these devices	Wind energy
Compatible with these devices	to the Motorboat
Compatible with the following battery models	Boat
Compatible with these devices	Cleaning devices

Compatible with these devices	for Solar lighting
Voltage	12.8V
Compatible with these devices	For outboard engines
Compatible with these devices	to Kayak
Compatible with these devices	for Emergency Power
Operating temperature during discharge	-20~60
Compatible with these devices	Solar road lighting
Compatible with these devices	do PTV
Compatible with the following battery models	Sailboat
Compatible with these devices	Medical equipment
Compatible with these devices	for Alarm Systems
Type	LiFePO <sub>4</sub>
Compatible with these devices	Wind power plants
Compatible with these devices	to Kamper
Compatible with these devices	for Remote Monitoring
Operating temperature during charging	0~45

Compatible with these devices	Installation off
Compatible with these devices	of Solar panel
Compatible with the following battery models	Motorboat
Compatible with these devices	Forklift
Compatible with these devices	for the self-propelled scrubber
Gamintojas	Green cell
Compatible with these devices	Solar panel
Compatible with these devices	do Katamarana
Compatible with these devices	to Łódź
Colour	
Compatible with these devices	Road lamp
Compatible with these devices	for the basket lift
Compatible with the following battery models	UPS
Compatible with these devices	Emergency power supply
Compatible with these devices	do UPS
Warranty	36 months
Compatible with these devices	Electric vehicles

Compatible with these devices	to Lawnmower
Compatible with these devices	to the fishing boat
Compatible with the following battery models	Photovoltaics
Compatible with these devices	Floor washing machine
Compatible with these devices	to the Lift from
Compatible with the following battery models	Kayak
Compatible with these devices	Remote monitoring
Compatible with these devices	for 12V Devices
Compatible with the following battery models	mowers
Compatible with these devices	12V voltage converters
Compatible with these devices	to Kutra
Compatible with these devices	to the Sailboat
Compatible with the following battery models	Hunt
Compatible with these devices	Floor cleaning machine
Compatible with these devices	for Electric Vehicles
Compatible with the following battery models	Camping

Compatible with these devices	fishing boat
Compatible with these devices	for Cleaning Devices
Compatible with the following battery models	monitoring
Compatible with these devices	Electric motors
Compatible with these devices	do LSV
Compatible with these devices	for Camping
Compatible with the following battery models	Matches
Compatible with these devices	Basket lift
Compatible with these devices	for voltage converters
Compatible with the following battery models	Cutter
Compatible with these devices	do ATV
Compatible with these devices	for Medical Equipment
Compatible with the following battery models	catamarans
Compatible with these devices	Outboard motors
Compatible with these devices	for road lamps
Storage temperature	0°C ~ 45°C (60-80% SOC)

Compatible with the following battery models	Marina
Compatible with these devices	Lift with work platform
Compatible with these devices	for Travel Trailer
Compatible with the following battery models	LSV
Compatible with these devices	to wind farms
Compatible with these devices	for Golf Cart
Compatible with the following battery models	ATV
Compatible with these devices	12V devices
Compatible with these devices	to Machines to
Max. discharge current	12A
Compatible with the following battery models	Motorbike
Compatible with these devices	Travel trailer
Compatible with these devices	to Quad
Compatible with the following battery models	PTV
Compatible with these devices	to Photovoltaics
Compatible with these devices	for Wheelchair

Item code	LFPGC12V7AH
Compatible with these devices	Golf cart
Compatible with these devices	to Monitoring
Charging characteristics	CCCV / IU
Compatible with the following battery models	Quad
Compatible with these devices	Alarm system
Compatible with these devices	do RV
Compatible with the following battery models	Sweeper
Compatible with these devices	to Install off
Compatible with these devices	for Forklift
Dydis	155x70x100mm
Compatible with these devices	Wheelchair
Compatible with these devices	to Motorcycle
Total capacity	89,6Wh
