The kit includes: - Beard Shampoo Cypress & Vetyver 200ml - beard shampoo with a special fragrance to gently and effectively cleanse beard hair and facial skin. The low-foaming formula softens the beard, leaves the hair smooth and manageable, removes dirt and unpleasant odours. The cypress fragrance will leave both your skin and beard feeling great. - Cypress & Vetyver Beard Balm 100ml - an exclusive Cypress & Vetyver beard balm ideal for those who want to grow a beard. It is difficult to avoid unpleasant sensations such as itching and skin irritations when growing a beard, but Proras' beard balms help to solve these problems. The beard balm softens the hair, refreshes the skin, eliminates itching and nourishes irritated skin. - Cypress & Vetyver Beard Oil 30ml - this fragrance line oil for long beards softens and smooths the hair and leaves the beard feeling fresh.
