

Green Cell Battery (1.5Ah 12V) 1220 1222 1233 1234 PA12 for Makita 1050D 4000 6227D 6270D 6271D 6313D 6317D 8271D Celma ...

Generuota 2024-05-19

Name	Description
Compatible with these devices	See 6000
Compatible with these devices	Makita VR250DWAE
Compatible with these devices	Makita VR250DA
Compatible with these devices	See VR250D
Compatible with these devices	Mr. UCI20DWA
Compatible with these devices	See UC170DWD
Compatible with these devices	Makita UC170D
Compatible with these devices	See UC120DWD
Compatible with these devices	Makita UC120DWAE
Compatible with these devices	See UC120DW
Compatible with these devices	See UC120DRA
Compatible with these devices	See UC120DR

Name	Description
Compatible with these devices	See UC120DA
Compatible with these devices	See UC120D
Compatible with these devices	See UB121D
Compatible with these devices	See UB120DWB
Compatible with these devices	Makita VR251D
Compatible with these devices	See VR250DWDE
Compatible with these devices	See 5093DWDE
Compatible with these devices	See 5093
Compatible with these devices	See 5091D
Compatible with these devices	See 4331
Compatible with these devices	Makita 4330DZ
Compatible with these devices	See 4330DWA
Compatible with these devices	See 4330D
Compatible with these devices	Makita 4013DZ
Compatible with these devices	See 4000
Compatible with these devices	See 1050DWBE
Compatible with these devices	See 1050DWB

Name	Description
Compatible with these devices	See 1050
Compatible with these devices	Celma WAK 12
Compatible with these devices	See 6503DWDE
Compatible with these devices	See 6503D
Compatible with these devices	See UB120DWA
Compatible with these devices	Makita UB120D
Compatible with these devices	See ML124
Compatible with these devices	See 8413DWDE
Compatible with these devices	See 8413DWAE
Compatible with these devices	Makita 8413D
Compatible with these devices	See 8271DWE
Compatible with these devices	See 8271DWAE

Compatible with these devices	Makita 6916DWD
Compatible with these devices	See 6914DWBE
Compatible with these devices	Makita 6914DWB

Name	Description
Compatible with these devices	See 6914DWAE
Compatible with these devices	See 6914DWA
Compatible with these devices	See 6913DWH
Compatible with these devices	See 6913DWA
Compatible with these devices	Makita 6911HDWA
Compatible with these devices	See 6831DWH
Compatible with these devices	See 6211DWHE
Compatible with these devices	See 4331DZ
Compatible with the following battery models	1926962
Compatible with the following battery models	192696-2
Compatible with the following battery models	1926815
Compatible with the following battery models	1925982
Compatible with the following battery models	1925974
Compatible with the following battery models	192537-2
Compatible with the following battery models	192407-5

Name	Description
Compatible with the following battery models	192296-8
Compatible with the following battery models	192293-4
Compatible with the following battery models	192271-4
Compatible with the following battery models	1202A
Compatible with the following battery models	1202
Compatible with the following battery models	1201A
Compatible with the following battery models	1201
Compatible with the following battery models	1200
Compatible with the following battery models	1926988
Compatible with the following battery models	192698A
Compatible with these devices	See 4331DWDE
Compatible with these devices	See 4331DWD
Compatible with these devices	See 4331DWAE
Compatible with these devices	See 4331D

Name	Description
Compatible with these devices	See 4191DZ
Compatible with these devices	See 4191DWD
Compatible with these devices	See 4191DWAE
Compatible with these devices	See 4191DWA
Compatible with these devices	See 4191D
Compatible with these devices	Makita 4013D
Compatible with the following battery models	632804-8
Compatible with the following battery models	632268-6
Compatible with the following battery models	193624-0
Compatible with the following battery models	1931575
Compatible with the following battery models	1931389 m
Compatible with the following battery models	193983-2
Compatible with the following battery models	193969-6
Compatible with the following battery models	193138-9

Name	Description
Compatible with the following battery models	192598-2
Compatible with the following battery models	1222 m
Compatible with the following battery models	1220 m
Compatible with the following battery models	638347-8-2
Item code	PT182
Overload protection	Yes
Cell manufacturer	Green cell
Cell technology	Ni-MH
Protection against overheating	Yes
Svoris	700g
Dydis	9,5 x 9 x 8,8 cm
Gamintojas	Green cell
Įtampa	12V
Type	Ni-MH
TALPA	1500 mAh
Compatible with the following battery models	192681-5

Name	Description
Compatible with the following battery models	192698-8
Compatible with the following battery models	193100-4
Compatible with the following battery models	193059-5
Compatible with the following battery models	192681-B
Compatible with the following battery models	192597-4
Compatible with the following battery models	192536-4
Compatible with the following battery models	1250 m
Compatible with the following battery models	1235 m
Compatible with the following battery models	1234 m
Compatible with the following battery models	1233 m
Compatible with the following battery models	PA12
Compatible with the following battery models	1235F
Compatible with the following battery models	638347-8

Name	Description
Compatible with the following battery models	193981-6
Compatible with the following battery models	193157-5
Compatible with the following battery models	192698-A
Warranty	12 months
Compatible with these devices	See 6918DWAE
Compatible with these devices	See 6337DWAE
Compatible with these devices	Makita 6327DWE
Compatible with these devices	See 6319DWFE
Compatible with these devices	Makita 6319D
Compatible with these devices	See 6317DWFE
